Regarding the luggage allowance I would like to know if could we bring 2 pieces of luggage and 1 backpack bag. Would like to know if could we carry the hand-carr bag/back in the vehicle. Besides, as some items that need to be declared may cause delays passing through customs, should we delay our booking's arrival time by adding a couple of minutes or just enter the official flight arrival time? Hope to hear from you soon and thank you in advance.
